Courtney,

On Jan. 23, I requested that our Risk Assessment Division (RAD) start work again on this case again. I repeated that request again yesterday and was able today to get the assigned engineer to restart the assessment. [REDACTED] and I will monitor the work by RAD.

Hello,

Huntsman case L-18-0155 has been with the agency since early 2019. Our case manager, Ex. 6 Personal Privacy (PP) has informed us that the case hasn't moved in quite some time. We have provided solutions to mitigate some concerns that were made aware to us several times. We would like to know if there is any way to prioritize this case and move it along, or at least get some feedback on the information we have provided if it is sufficient or if we can provide any new data. We appreciate any help.

Thank you,
